

## **Scholarship Opportunity for the ECSECO Spring School 2025 14th -15th of May in Riga Latvia.**

The ESA Education Office is pleased to sponsor up to 4 tertiary education students to attend ECSECO spring school 2025 and the Deep Tech Atelier in the frame of the [ESA Academy Short Course Scholarship programme](#). The scholarship will provide a maximum reimbursement of **EUR 350 towards travel** and **EUR 180 toward accommodation** expenses (3 nights), which will be reimbursed via a single bank transfer after the spring school and will be paid upon submission of receipts.

To be eligible for an ESA Academy Short Course Scholarship, students must fulfil the following criteria at the time of application:

- be minimum 18 years old at the time of the spring school;
- be a citizen of an ESA Member State, Associate Member, or Canada;
- be enrolled as a student (Bsc, Msc, or Ph.D.) in a tertiary education academic programme (not graduating before the spring school);
- not be able to attend the spring school through their academic programme;
- not benefit from an overlapping financial support to attend this spring school, unless duly justified;
- Attend the entire spring school (14-15 May, Deep Tech Atelier 16 May optional);
- agree with the conditions of the [ESA Academy's Privacy Policy](#)

Priority will be given to students who have less than 2 years of professional experience and have never taken part in an activity sponsored by the ESA Education Office.

The **deadline for applications** is **18.04.2025** at 23:59 CEST.

The decision by the Selection Committee will be communicated by 25.04.2025.

ESA is committed to achieving diversity and creating an inclusive environment. To this end, applications from all eligible candidates irrespective of gender, sexual orientation, ethnicity, beliefs, age, disability, social origin, or other characteristics are welcome.
